ATO Approach to Business – Their Strategy

Help for small business

The ATO are committed to making it as easy as possible for all small businesses to understand and meet their tax obligations.

The ATO have an extensive and dedicated focus on:

- education, prevention and support
- delivering new tools to make things easier
- providing personalised information
- providing customised support for small business when they need it.

The ATO are transforming their culture to focus on client service and early intervention, to improve the experience of small businesses when dealing with them.

Using technology to enhance interactions

Sole traders can access ATO online services through their myGov account or voice authentication on any device to:

- manage activity statements and PAYG instalments
- manage accounts
- make payment arrangements and more.

Sole traders can also use myGov to lodge their tax return. Businesses with an AUSKey or a linked myGov account that use Manage ABN Connections, can access the Business Portal to:

- prepare and lodge activity statements and annual reports
- manage accounts
- update registration details.

The ATO app

Small business owners with simple tax affairs can use the ATO app to:
